'FACE the TASK'

Last Wednesday, the Small School's Athletics Carnival was held at Dulacca State School. Our annual Athletics Carnival saw great participation by eager students, observed by a great number of supportive parents and extended family members. The traditional events—sprints, 200 metres, 800 metres, shot put, long jump, high jump, ball games and relays kept the children moving and engaged in what proved to be a fun and rewarding day of competition. Congratulations to all of the students for their enthusiastic participation, sportsmanship and friendly rivalry. Thank you to our staff members for their preparation and encouragement of the students in the lead up to the event and their assistance with various jobs on the day. Many thanks to our parents for being there to cheer on Guluguba!

Semester One Student Reports

Students will be issued with an Academic Progress Report for Semester One on Friday 26 June. The report is completed by class teachers and specialist teachers to provide an insight into current student progress and achievement in a number of key learning areas.

A Positive Learning Environment at Guluguba

Focus 40, is our weekly whole-school focus, helping students build strong learning habits, wellbeing and positive behaviours across all 40 weeks of the school year. Since our last newsletter, students have been learning -

Week 8—I take pride in my work.—I can meet bookwork expectations. I can try my best. I can listen to feedback. I can set goals and strive to meet them. I can recognise personal qualities and the achievement of myself and others.

Week 9—I can respect others' ideas. - I can listen without interrupting. I can disagree politely. I can take turns sharing. I can wait my turn to speak.

Week 10—I can include others. I— I can invite others to join. I can work with different people. I can make sure no one is left out.
